Mira Koopman is known to many of us for her enthusiasm and energy so it is not surprising to find her now running her own cafe. The cafe is open Wednesday to Sunday and on all public and school holidays regardless of the day of week. NEW OWNER for Autrademarks:

Jirsch Sutherland IP (JSIP) took over the business from my close friend and colleague, Peter Close, who sadly passed away in February this year after being diagnosed with cancer only months prior to his death. While we will miss Peter, I feel very confident that the current and future clients of **Autrademarks** will benefit from this dynamic firm which offers widespread expertise in the intellectual property field including advice on trade marks, patents, trade secrets, copyright, design, licensing, customs protection, and related litigation. **Blair Beven** is the founding partner and owner of the new company and very well qualified to answer any of your IP enquiries. Bevan can be contacted on Tel. (02) 9236 8361. You are also encouraged to visit their website at www.jsip.com.au

With retirement pending I have decided that the time is right to close my consultancy and pursue some long neglected interests. Consequently I recommend all your intellectual property enquiries now be directed to Blair at Jirsch Sutherland.

ANZAC DAY Dawn Service at Bargara

Coverage of the event will be included in next month's newsletter.

HAVE YOU HEARD OF THE FOUR WAY TEST?

I am not a Rotarian but on reading about this test I was impressed enough to want to share it with our members and readers.

It was conceived by Mr Paul Harris, a Chicago Lawyer who founded Rotary in 1905 and it has endured to this day as an effective tool for people to use in their businesses and relationships as a means of gaining higher ethical standards and maintaining these ethics throughout life.

THE FOUR WAY TEST of the things we **think**, **say** and **do**.

First, Is it the **TRUTH**?

Second, Is it **FAIR** to **ALL** Concerned?

Third, Will it Build **GOODWILL** and **BETTER FRIENDSHIPS**?

Fourth, Will it be **BENEFICIAL** to **ALL**?

Back in 1905 Paul Harris envisaged a new kind of club for professionals that would rekindle the kindness, caring and friendship he had known in his youth growing up in a rural village. After meeting with three friends - a coal dealer, a merchant tailor and a mining engineer - they decided that they should meet periodically to enjoy camaraderie and to enlarge their circle of business and professional acquaintances. Meetings were rotated among their places of business and so the name Rotary came about.

NEW GOVERNMENT WEBSITE

The Australian Securities and Investment Commission is to be congratulated on its new website, designed for all Australians, young or old, rich or poor, investing or paying off debt. For people who don't own their own finance software, the **Budget Planner** is a very simple tool to obtain a snapshot of your finances. For personalised professional assistance, however, always seek the advice of an accredited financial planner.
