How the locals like it. 

IGA BURNETT HEADS

In October last year Ian George and his family began operating their IGA store at 1 Hermans Road in Burnett Heads. From 7am to 8pm seven days a week they provide residents and visitors with a wide range of grocery lines, sourcing local suppliers where possible. Within a very short time of the store opening the IGA community spirit is evident with the local SES and Burnett Heads Progress Assn each benefiting from a much needed donation. Congratulations to Ian and his family for helping to make a difference. The store can be contacted on Tel 4159 4777 or via email at admin@igaburnettheads.com.au

CHANGE OF NAME

BARGARA COMMUNITY BANK[®] Project

The project to establish a community bank was relaunched following expressed interest from members of the community. With more than half a million dollars pledged in support it is now closer to meeting its target of \$600,000.00. Presently all that is required of a potential shareholder is for them to provide their name and contact details with a pledged support of \$500 or more (NO signature or money is required at this stage). For more information please contact Lyn McCarthy on 0402 117 051 or Faye 0419 194 701. Once the bank is established all profits are shared between the community and the shareholders so let's keep our money here in our own community. Gin Gin *Community Bank*[®] has already returned \$67,270 to its community in only its first 3 years of operation.
