BARGARA'S 2011 ANZAC DAY

DAWN SERVICE – The following is an extract from President Greg Barnes' website:

"This years' ANZAC Day Dawn Service will mark the 15th anniversary of the Nation's most solemn day of commemorations held at Bargara.

Since 1997 the event has grown from about 250 participants to what was estimated last year to be in excess of 4,000.

I have started to outline the Program for this years' event. It would be helpful if people wishing to lay a wreath could contact me on 0407 155 727 as soon as possible and give me their details so that I can make sure that they are included on the program and announced during the wreath laying part of the Service.

Fingers crossed for decent weather!"

Please note that this year the parade will form-up and march off 15 minutes later than in previous years due to the re-scheduling of the City Dawn Service
